**NOTIFICATION OF ASBESTOS**

Since the summer of 1988, when the D.C. Everest Area School District completed a comprehensive inspection of district buildings to determine the presence of asbestos containing material, initiatives to eliminate and control the presence of asbestos have been implemented. Some amounts of asbestos containing material remain in district buildings. NorthStar Environmental Testing conducts a surveillance of all sites every six (6) months and the district receives updated reports.

An Asbestos Management Plan is on file and available for inspection in the Principal's Office of each school. The management plans for all schools are available for inspection in the office of Jeff Belott, 6500 Alderson Street, Weston, Wisconsin 54476. Phone (715) 359-4221, ext. 4103.
